

Now for Something del.icio.us: Digital Government Information and Web 2.0

Facilitated by Christy Allen
Best Practices Exchange 2007: Libraries and Archives in the Digital Era

Blogs

- How can you use blogs to facilitate access to digital government information?
- Talk about your personal experiences!
- Show us your blogs!
- <http://www.web2atlunch.blogspot.com/>

Wikis

- What are some creative ways to use wikis for digital government information?
- Talk about your personal experiences!
- Show us your wikis!

Social Tagging

- Would you allow users to add tags to digital government information? Why or why not?
- Does your institution currently use social tagging? Please tell us about it!
- Show us examples!

MySpace / Facebook

- What would be the pros/cons of having a MySpace or Facebook page for your digital government collection?
- Talk about your personal experiences
- Show us some examples!

Second Life

- How do you feel about offering government reference services through this virtual reality game?
- Does your institution have a Second Life account?
- Please share your personal experiences!

Other Web 2.0 Applications

- RSS
- Social Bookmarking (e.g. del.icio.us)
- Image sharing software
- YouTube
- LibraryThing
- How can these tools be used to facilitate access to digital government information?

Other Thoughts?
